==THE SPHERE==

Price **SIXPENCE WEEKLY.** By Post **6½d.**

Annual Subscription at Home, **29s. 6d.**; Canada, **31s. 6d.**;
Elsewhere Abroad, **42s. 6d.**

THERE are many reasons why you should buy THE SPHERE in times of peace. There are still more reasons why you should buy it in war time. There is the elementary fact that

THE SPHERE WAR NUMBERS

which commenced with the issue of August 8th, form the most scientific record of the great War that is obtainable, the most accurate in its maps and plans. Everyone can follow the intricacies of the campaign in France and Belgium, or of the campaign in East Prussia and Poland, from THE SPHERE diagrams and maps.

THE SPHERE has the best and most accurate pictures of the War, many of them sent from the actual scenes by M. Paul Thiriat, a brilliant French artist; others by such accomplished artists as Signor Fortunino Matania, whose work has a world-wide reputation for its accuracy of detail and for its spirited interpretation of the many sketches from the front which constantly reach THE SPHERE office. You will buy

THE SPHERE WAR NUMBERS

if you want to preserve a souvenir of the great struggle unique in its artistic quality and in its scientific accuracy of detail.

The Invalid's Comfort.

FOR the invalid comfort is no mere luxury; it is a necessity, as all the world knows.

Cheerful warmth and bright, pleasant light, good cooking and plentiful hot water are very important factors in aiding recovery and hastening convalescence.

The Gas Fire gives healthful radiant warmth, can be regulated with precision and makes no work. The Gas Water-Heater provides plentiful hot water at any hour at the shortest notice.

The Gas Cooker is ideal for invalid cookery. Gas Light is the most restful and soothing illuminant.
